“ I shall never forget Vera. As a beautician, she gave me my very first professional haircut and permanent. She was kind and gentle. I am sure she will be missed.

“ I was very saddened today to learn of Vera's death. It had not been a while but I have very fond memories of her. I remember as a young girl going to the farm for a Suki Aki (sp) dinners. I loved to help Vern with cutting the veggies and just talking as we worked.

Gods speed Vera your journey is at an end. Love Tina###imported-begin##Tina Nuss Carvo###imported-end##

“ Vera:

She love to talk to me about my restaurants. veltries and the porter house. We talk about food for day,s in the V.f.W. This lady was on top of everything. God love her. I told Vera my grandmother Was in Dayton for fifty five years in her own rest. Can you believe she know every recipe and gave my a big hug. She was a very good lady and took alot of recipes of her life with her. I was blessed to get some. I, m in kennewick now bot just the other day she was on my mind. She had her way of beinb vera. God love her and her faimly###imported-begin##ritchie norman###imported-end##
