VERNA MAE DECK RILLING

Born September 10, 1926 in Anacortes, WA and passed away after a short illness on March 27, 2015, surrounded by her loving family. The last 8 months of her life were difficult. She and the family were blessed to have a wonderful, kind and compassionate caregiver with whom she and family built a very special bond.

The words most often used to describe Verna were beautiful, wonderful, and caring woman with Class.

She graduated from Bellingham High School, and Western Washington University. She married and lived in Alaska before becoming a 55 year resident of Moses Lake.

She was an accomplished professional bookkeeper and for 20 years was a successful co-owner of a local Pool and Awning business.

She lived a long and full life. She was very easy going and appreciative of life experiences. She enjoyed playing cards with friends and going to the casino.

She loved to travel and her curiosity took her to many parts of the world and US.

Verna is survived by her husband of 54 years, Lyle Rilling; Sons, David Murray and Scott Murray, and 5 Grandchildren.

A small Graveside service in Bellingham, WA will be held. Date to be determined. A celebration of her life will follow. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com Arrangements are in care of Kayser's Chapel & Crematory.

She will be greatly missed and loved by us all.

REST IN PEACE MOM!

“ I was very sorry to hear about Lyle and Verna passing. I work at papas casino and they were frequent visitors. I will miss Verna coming in after getting her hair done, and Lyles spit fire comments. And I will always admire how much they loved each other. The day shift will certainly miss them and Lyles endless supply of butterfingers.

“ I was so sorry to hear about Verna passing. She was such a lovely Lady. I had the opportunity to spend time with her and show her around London when she accompanied me to a trip back home to England and she met my mother. I remember her well in Trafalgar Square with all the pigeons. Both Lyle and Verna were so good to us when we first immigrated. We thought they were crazy going all the way to Spokane to see a movie "Fiddler on the Roof" back in the 70,s
Rest in peace Verna.

“ I had the pleasure of working for/with Verna and Lyle at Pool and Awning in the late '70s. We had many good times together and I admired her for her ability to understand the needs of the business and of the customers. She had a true love of animals and showed her love in many ways and helped with the Humane Society. When I had to have my old dog put to sleep, she cried with me! I know she will be greatly missed, by both friends and family, especially Lyle. She was always there to support him in what he did and keep things straight!!

“ Beautiful woman inside and out. She was our neighbor for so many years when I was growing up in Mae Valley. Loved bumping in too her and Lyle downtown and reminiscing of years past. Our thoughts and prayers for Lyle and family.

“ To Verna's family; We are so sorry to hear that Verna has passed away. The strength and courage she displayed while she was ill, has inspired so many, and a reminder to all of us, to live each moment to the fullest, no matter what life presents you. Verna had a beautiful spirit and smile, which will live through the lives she touched. Verna worked for Paul's Equipment for over 22 years. She will always be remembered for her strong work ethics and humble spirit. She lived each day with integrity, and was so respected by her co-workers, and the Paul's Equipment customers. RIP Verna!
