“ To Elvis, June, Brad the Family:
Your girl, Vicki, had such an impact on my life at a very young age. Our families shared so many fun activities growing up, including ML Volunteer Fire Department Christmas parties, pot luck dinners, ice fishing and skating, plus lots of memories of fun in the sun! Vicki was two years older than me and I looked up to her like a big sister, amidst all the chaos the boys would create! Later she became my cheerleader mentor and coached me up to make the squad at both Frontier Jr. Hi and MLHS. Little did I know that I would later meet and marry a classmate of hers, who had his own fun memories with Vicki at school. Time will not erase those memories with Vicki Lynn. Love to you all.
