“ I went to school with Vi. I just now discovered she had passed. She was a good friend from second grade (when I arrived) through grade 10 (when my family moved to Seattle). She lived about a mile down the road from me. I remember spending the night in a tent at her house and riding a horse. Wonderful memories.

I reconnected with her at our 50 year reunion. We had a lunch together later (we called them our Kennydale lunches). That's when she and I found out she was Kim's grandma and I am Caitlin's mother. Kim and Caitlin used to go to Moses Lake to visit Vi.

Oh dear, I am sorry we didn't reach you Kennilee. It was pretty sudden and caught us unprepared. I know Mom loved your Kennydale lunches. She really enjoyed reconnecting at that reunion. 💜

“ My name is Judy Donaldson, I am another daughter to Edna Lane, the lady Viola was helping to take care of. When ever I came from Oregon to visit my mother, I would see Viola and visit with her. I always enjoyed her horse stories, and her beautiful knitting. She was a special Lady, and did a wonderful job taking care of our mother. She will be greatly missed. Judy Donaldson

“ Viola became a dear friend to me in the past 2 years as this is when she began helping me take care of my 99yr. old mother. I am in shock right now because I talked to Viola not that long ago and had no idea she would be gone so quick. I never knew anyone like her and will miss her so very much. One of the kindest and most caring people God put on this earth! My deepest sympathy to all her family as I cannot imagine how hard this must be on all of you. Vi shared so much with me about her family and how much she loved you all. A great lady and we were all so greatly blessed to have known her.

“ *The world has lost a beautiful person. Vi was so kind and sweet, and although we only conversed on a few occasions, she was so genuine and caring. She was also the best knitter I ever knew!*

My heart goes out to you Keri, Russ, Wyatt, Casadie, and all of Vi's family and friends. May she live on in your hearts forever.

“ *Well you showed me how it feels
To feel the sky within my reach
And I always will remember all the strength
you gave to me
Your love made me make it through
Oh I owe so much to you
You were right there for me*

*In my dreams I'll always see you soar above the sky
In my heart there'll always be a place for you
For all my life
I'll keep a part of you with me
And everywhere I am there you'll be
The greatest Gram a girl could ever dream up! I will miss you every
single second! I know your watching over us, our guardian angel 💜*
