Viola C. Reyna

2/10/1933 – 3/10/2012

Viola C. Reyna, 79, resident of Moses Lake Viola passed away peacefully at her home surrounded by her daughters and adoring family, after a courageous battle with cancer. Viola was born Feb. 10, 1933 in Mercedes, Texas and raised in various places throughout the western United States.

She was one of eight children born to the late Margarito and Carolina Quintanilla and was the beloved wife of Roberto B. Reyna for over 55 years. Viola will forever be remembered by her devoted brothers, Juan (deceased), Tomas, Noe, Abel, and Adam and her loving sisters Eva and Eloise, her beloved daughters Rosemary Parsons, Rebecca Coffman, Rita Reyna, Rachel Adamson, her treasured grandchildren Jordan, Adrian, Amber, Dylan, Riena, and Avery. Viola's pride and joy were her 7 great-grandchildren she was truly in her element when she was around children. Viola was a working mother teaching her 'girls' by example how important hard work is to a successful life. All who knew her loved and respected her and we who knew her well were blessed to share her wisdom and compassion for all people without ever feeling any judgment from her. She was without a doubt a Godly woman.

Viola touched the lives of many people with her kindness and generosity, and in the end she maintained a hopeful outlook even when the pain was

unbearable she hardly ever complained as was her custom throughout her life. We will always be better people for knowing her.

“ I was so saddened to hear of Mrs. Reyna's passing. The last time I spoke with her was at my Mother's funeral. I remember her hugging me and saying "Ya no llores Mijita - tu Mama esta con diocito". I have a very special place in my heart for the Quintanilla - Reyna family. They are a big part of my childhood and loved my parents so much.

God Bless the Reyna - Quintanilla family during this difficult time.
My prayers go out to the family.

To Mrs. Reyna - say Hi to my Mamita and Daddy and also a big kiss to Grandma Santos Reyna!

“ I am so very sorry to hear of the loss of your Mom. Some of my very best memories are of Mrs. Reyna. I loved sitting in her kitchen while she whipped up something magical to eat. Her pumpkin empanadas were heavenly. At a time in my life when I felt homeless Mrs. Reyna pulled me in under her wing and let me know someone cared. I treasure my memories. “ I know there is more family than Rita and Becky but they are the only one's I know, but I would like to say to the whole family that I am truly sorry for your loss. Losing a parent is something none of us never wants to deal with but unfortunately we will all have to go through it sooner or later. Just remember that you all have an ANGEL looking after you now. She will always be with you in spirit.##imported-begin##Kathy Zarate##imported-end##
