“ Walt was into his job. Although I didn't interact with Walt daily, he was always smiling, happy, very positive. He was very much a part of the Sonico family, always interested in how the company was doing and how he could help. I never knew him to say anything derogatory. He seemed to get along with everyone. A very respectful guy. It is too bad he couldn't have stayed longer.##imported-begin##Jim Perdue##imported-end##
