“ I never knew Mr. Smith. I picked up a used album at a record store of Buddy Fife with "Property of..." written on it. Curiosity led me to Google the name. An obituary was the first to pop up. I read that he was a guitar player, so am I. I hope he had a wonderful life full of love and music. Thanks Wes for introducing me to new music.

“ Wes was my “boyfriend” when we were 13 or 14. He was such a sweet boy. He used to sing I walk the line on the telephone to me. I don't remember if a guitar was involved but he would do this a lot. He had strawberry blonde curly hair and a great smile. Since I had come from a very abusive home I think that maybe Wes was just too nice. I am so happy to see that he had a great life surrounded by lots of loving family.
