“ I just found out my dear friend Bill had passed on. It seemed it was not that long ago I saw him after Sunday service at Grace Harvest Church, Moses Lake. This is so shocking and sad. I wish I had known, for I surely would have attended his memorial service. Condolences and prayers to his family. My previous husband, Dan and I attended his home church in the 1980s. It was there that God called me into the deliverance ministry. William was a dedicated Christian, compassionate heart, top attorney with integrity. I will greatly miss his smiling face and Christian hug as I am sure many will as well. Our world, communities' loss, Heaven's gain. RIP Bill Plonske.

“ Bill was a kind hearted person. Yes he was a "Lawyer". But he had a tender heart. At least with my time with him. I believe he new that final justice was with our Lord Father and Savior. He from the 2 years and what little interaction I had with him, was a good person...

“ Very sad to hear of Bill's unexpected passing. I met Bill when I first moved to Moses in 1980. He was always smiling and had that affable way of greeting everyone. He definitely made me feel welcome as a young lawyer. He would always extend his hand and shake mine every time we saw each other; in court or out. There were no pretenses with Bill. He was always "humble and kind" as Tim Mcgraw's latest hit suggests for all of us. I will carry many fond memories of Bill. I want to extend my deepest sympathy to Bill's family and friend's, especially his trusted and loyal employee, Sally Foster. Bill always placed God first in his trudge through life. I know Bill is with Him now...

“ My condolences to Bill's wife, sister and their friends. I've known Bill professionally since the early 1990s, as he would come to Adams County for court hearings. He worked hard for his clients, and voiced his appreciation of any assistance our office gave him. Very much a gentleman. He will be missed.

“ Bill was a good man, an honest Attorney who did his best in being the best for his clients. I remember when he gave me a chance to own my own building on W. Broadway in 1989. I had no money down to speak of, but he asked to talk with me and know my goals. I met with him and he said, " I believe in you, I will sell you this building on a contract." I have good memories of a kind hearted man who cared for others.

I knew Bill first as a fellow church member and friend. But later, Bill helped me out at a desperate time in my life, legally, and as a friend, he saw me all the way through that dark time. It saddens me that he is no longer with us on this earth, but I rejoice knowing he is so happy now in the Presence of the Lord.
