“ Bill was a neighbor for many years, my girls and his kids went to school together too. We became great friends and even when he moved away from the neighborhood we didn't see each other often but we were happy to see each other and chat for awhile. He was a great Dad and Grandpa. When he became a grandpa he always had stories about Mary Jane she was much loved by grandpa Bill. My condolences to Calvin and Tiffany your Dad was an amazing person and a Super Dad to both you. Great friend to Rollo and I. He will be missed.
