“ Uncle Bill was only 6 years older than me so I considered him more a brother than an uncle. He and Maurice spent a lot of time at our house when we were growing up. Lots of fond memories. One I remember is I was about 6 years old and I was at their house, I took a nap on the top bunk bed. I started falling off and was stuck and you should have heard me hollering. Bill came running in and "saved" me. I was so scared and grateful he got me down. Even though I haven't seen him in many years, I will miss him. Love you Bill! Your first of many nieces. Pam
