“ We moved into the valley in 1989 and drive by Bill's house everyday. My mother and her late husband Everett live in the yellow mobile next door. Mom speaks fondly of him as a kind man and Everett used to play basketball with him. He always had his faithful old dog with him. My youngest son reminded me of always seeing Bill playing basketball with the kids in the driveway the whole time they were growing up and riding the bus from school. Thoughts are with you at this time.##imported-begin##Deb Langshaw##imported-end##

“ I have known the Shines family for about 10 years. Bill was truly one of the most positive influences I've been around. Great cook, father and just one of those special people you could only wish to be so lucky to know. My condolences go out to the Shines family. The family is full of wonderful people. “ I would like to share with Bill's family and friends what a good man he was. He cooked in our resort restaurant as a fill-in cook in the 70's. He would come to our rescue whenever we called. Best cook ever...our family has a big space in our heart for you Bill.##imported-begin##Mike Meseberg##imported-end##
