“ I just read about the passing of Mr. Strole, with whom I remember sharing many fun-filled outdoor activities in my childhood.. I grew up with Elisabeth, a dear friend, who often invited me to spend time with her loving family. Love and Light to you and your family.

“ Bill Strole left a lasting impression on me. I met him the first day I went to work for Basic American Foods in August of 1987. He took me into his office a few days later and asked me to sit and visit with him. I will not get into what was said but it had a profound affect on my life. Bill was a man who I personally believe was never given the credit he deserved has a plant manager. Bill believed in people. Yes he knew it was about profit but Bill also realized people came first. When the company owner passed away Bill was swept away as well. Basic American Foods remained viable and all, but was never the same after Bill left it.

I later got the priviledge to be around Bill a second time in my life when I began attending Moses Lake Alliance Church. Bill saw me there one of my first Sundays in attendance. After the service Bill immediately pulled me aside. He wanted to know how I was doing and so forth. Bill then began to quote "work me over " as he called it. He said I needed to find Jesus Christ to have some peace in my life. Due to life events I have moved to East Wenatchee, WA but Bill Strole will always be remembered by me as a man who with compassion, caring, and real love for his fellow man shaped and changed not only himself and his family but the communities and people around him. Bill was a stand up man who role modeled what a Christian life is about. He will be missed by all who had the honor to have known him.

“ *What an honor to know such a wonderful man. Our family has many fond memories of Bill. The girls remember Bill and Carol taking them to the movies and Bill having to bring the twins home, crying, because the mama bear in the movie died!!*

His wisdom and ability to impart the Word was amazing. It was evident that he loved his Lord and wanted others to share in that joy.

We will forever remember Bill Strole with love.

“ *I loved reading the obituary describing the life of this unique, sweet, and generous man. I count it a privilege to have known and been blessed by him and the family he cared for and nurtured. My own family was made to feel like family to him and Carol. I look forward casting lines with him on God's golden shore one day. My deepest sympathies to "Grandma Carol" and the whole Strole/Murrell clan.*

“ *Bill Strole was a kind, smart, and ready-for-adventure man. Working for him at American Potato, later Basic American Foods, was a pleasure and adventure – think company Jeep in the sand dunes. And I mean DEEP in, up to the axles! Never a dull moment for sure! He was clear in priorities: Jesus first – in family, in business & management, in community service. Thank you, Bill for modeling a faith journey for me and many others to follow. A blessing you have been to me and my family. The Peace of Christ to Carol and your family as we remember and journey on.*

Bill was a "father of the faith" example for me. He loved Jesus and lived it in his life. I worked with him at Basic American Foods in Moses Lake from 1990 to 1998. He was always there to talk, and lived the life he preached. He was never condemning, but didn't fail to speak truth, even if it hurt! I thank the Lord for him in my life. To all the family, I know you will miss him greatly.
