“ *Dear Pinky and Family: so sorry to hear of Bills passing. Thru the years at the station, I had many people that would hang around while I serviced their vehicles and "shoot the bull". Bill will always remain at the top of my favorite list of these folks. Thru his quiet demeanor, you could be assured that what he did say was either very knowledgeable or quite humorous. He will be missed by all who had the honor of his friendship.##imported-begin##David Hopkins##imported-end##*
