“ My dear friend Penny...
I thank you for your support and love thru the years. I will miss that goofy teasing that Woody always managed..with a smile or without a smile...He added a lot to my life and the life of everyone who came into contact with him. I know that your heart is hurting and I want you to know I will be there when you need me...Just let me know what I can do for you and your family.

“ Penny we will miss Woody AKA Ms Snap on tool, so much. He was such a good sport cupid , ms snap on tool, etc. I know how hard it is losing the love of your life, but remeber all the good time (ok so of the not so good times to since they are a precious memory) I know it would not want everyone to be sad, but to laugh at some of the silly things he did and said.###imported-begin###Al and Donna Anderson###imported-end##
