“ So many great memories with you Grandma. One of my faves was when I went to get your enchilada sauce recipe and you said its better to show me then write it down so we made them and ate them together ❤️ the recipe stuck in my head I've never had to write it down. I love you Grandma

My beautiful Grandma, Katia told me to tell you she Loves you and misses you so much! She has your blanket wrapped around her and says she feels like you are hugging her. The family already misses everything about you, your laugh, your smile, your hugs, and your love for all. Your Love will forever be embedded in us. Rest Peacefully my Beautiful Angel I Love you
