“ Oh Mama,,,this is hard,Very hard!
Everywhere I look ,Memories pop in like a fast moving film. I love you! I miss you so very much,,,I'll miss our Tues and Thurs Phone dates,talking about everything to how we were feeling to what are we cooking for dinner.

I loved it when you would call me all stressed out about the Crockpot I convinced you to buy..😞 But you got pretty darn good at it.Ill miss keeping up on our movie stars,and Soaps we watched together ,I still watch,,and you got a kick out of catching up...

I will miss most of all,,you calling me every Birthday and telling me the story of the day I was born,weather,time.and yes what you went thru just for me,❤️..this year I thought it wasn't gonna happen because I know things were getting hard to remember,,,but you did!!! One of the greatest gifts.. That was one of our special things,you had one for each of us,that's how you made us all feel special... You are Forever in our hearts and souls...

Sleep in Peace...Someday we will all be together again.. Love Tammy"...
