

Zendaya Martinez

June 3, 2024 - June 22, 2024

Zendaya Faith Estela-D RR Martinez was born to Eddie and Stephanie Martinez on June 3rd, 2024 and entered into heaven surrounded by her family on June 22nd, 2024. Despite her short time with us, Zendaya touched our lives deeply with her spirit and strength. Zendaya was born in Moses Lake, WA, weighing 1 pound 1 ounce and measuring 11 inches long. Her journey was marked by resilience as she was flown via Life Flight to Spokane, WA, where she spent most of her life in the Neonatal Intensive Care Unit. Her presence was felt profoundly as Doctors and Nurses worked tirelessly to care for our tiny but mighty girl. She is survived by her loving parents Eddie and Stephanie Martinez. Siblings Coraline, Zion, Gabriel and Honey Martinez. Each of them will carry her memory in their hearts, forever remembering the light she brought into our lives. Zendaya's life had an immense impact. She was courageous. We are forever grateful that we were able to watch her open her eyes for the first time, watch her reach her hands and feet in

the air, and hold tight onto our finger. Zendaya has beautiful almond eyes with seven eyelashes, beautiful bushy eyebrows and her dad's toes. The love she radiated inspired us all and will remain with us always.

Zendaya you remind us to keep Christ close, and that talking with others is way better than keeping anything in. You've taught us how to communicate better, listen better, and love better.

You've taught us that a relationship with Christ can be strengthened with others. You have pushed us to grow in our faith. You remind us daily that God is present in our lives. There is not a day that goes by that we do not pray to God and thank Him for everything we have. We find solace in knowing that Zendaya is now at peace, watching over us from above.

We are truly grateful for your support. Our daughter was blessed with prayers from all around the world. Zendaya has brought ourselves and many closer to God. We ask for your continued thoughts and Prayers as we navigate the pain of her loss and celebrate the life of our precious daughter. We want to say a special thank you to Doctor Rasmussen. Thank you for giving Zendaya the gift of life and believing in her. We are blessed that God chose you.

She is welcomed into heaven by her Grandpa David Adame, Great Grandpa Moises Ramirez, Great Grandparents Concepcion and Maria Estela Adame. Great Aunt, Great Uncles and

Cousins.
